1989 ARTICLE INDEX

Articles published in PRODUCTS FINISHING, January through December, 1989, classified by subject...

MONTH/PAGE

ALUMINUM

Pretreating Aluminum at Linetec, by Jeffrey Wesson ..... December, 48
Adding to Anodize Quality, by Leo Herrington ..... December, 53
Surface Preparation of Aluminum, by J.J. Claus ..... December, 59

ANODIZING

Adding to Anodize Quality, by Leo Herrington ..... December, 53

CHEMICAL COATINGS (ORGANIC)

Focused on Quality, by Christopher Daniels ..... November, 54
Bright White Cathodic Electrocoat,
by Timothy J. Frantz and Michael I. McElroy ..... November, 62

CLEANING

Cleaner Clean, by Jeanne Dunbar ..... June, 76
Better Paint Pretreatment, by Jeffrey Wesson ..... August, 78
Controlling Process Variability in Your Spray Washer, by Jack Davidson ..... September, 78
Cleaning Simplified with Molten Salt Bath ..... September, 82
Keep Your Cleaners Clean, by Edward F. Batutis ..... October, 70
Saving Solvent, by John Hoffman ..... November, 101

CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS

Nepcon West/1989 ..... February, 65
Electroless Nickel '89 Conference ..... February, 107
Surface Coating '89 ..... April, 107
Sur/Fin '89: In the Heart of It All ..... June, 83
On Display at Sur/Fin '89 ..... June, 92
Compliance, Cost and Quality ..... September, 88
On Display at Finishing '89 ..... September, 96

DEGREASING

Saving Solvent, by John Hoffman ..... November, 101

ELECTROCOATING

One-Component Electrocoat Helps True Temper Fight Back,
by Daniel Bushman ..... March, 82
Focuses on Quality, by Christopher Daniels ..... November, 54
Bright White Cathodic Electrocoat,
by Timothy J. Frantz and Michael I. McElroy ..... November, 62

ELECTROLESS PLATING

A Different Electroless Nickel, by L.G. Bhatgadde and S. Mahapatra ..... January, 82
Electroless Nickel/PTFE Composite Coatings, by Dr. Oscar E. Roberto ..... April, 46

ELECTRONICS

Better Plating of Semiconductors, by David R. Mason ..... February, 50

MANAGEMENT

Dealing with the Press in a Serious Emergency, by Frank Gilmore ..... January, 90
A Day on the Production Line ..... February, 110

ELECTROLESS PLATING

A Different Electroless Nickel, by L.G. Bhatgadde and S. Mahapatra ..... January, 82
Electroless Nickel/PTFE Composite Coatings, by Dr. Oscar E. Roberto ..... April, 46

ELECTRONICS

Better Plating of Semiconductors, by David R. Mason ..... February, 50

MANAGEMENT

Dealing with the Press in a Serious Emergency, by Frank Gilmore ..... January, 90
A Day on the Production Line ..... February, 110

MASS FINISHING

Multiple-Pass/Multiple-Function Mass Finishing, by Michael Petkovich ..... October, 58

MISCELLANEOUS

Don't Overlook Plasma Treatment, Commentary by Stephen L. Kaplan ..... January, 96

PAINTING EQUIPMENT, FACILITIES

A Who's Who in Turnkey Coating Lines ..... February, 72
Custom Coating for Over a Half Century, by G. Thomas Robison ..... April, 72
Ground Rules of Racking ..... April, 102
Fast-Cure Finishing of Boats, by David Douglass ..... May, 92
Baffles Catch Paint Overspray Before It Reaches Dry Filters or Water Curtains ..... July, 94
Class A Bike Finish, by Bob Diekman ..... August, 72
Focused on Quality, by Christopher Daniels ..... November, 54
Rotary Atomizer Maximizes Painting Performance ..... November, 96
Pretreating Aluminum at Linetec, by Jeffrey Wesson ..... December, 48

PAINTING TECHNIQUES

Spraying Water-Borne Coating Electrostatically, by Jim Scharfenberger ..... January, 48
Should You Consider Air-Assisted Airless Spray?,
by Mike Osborne and John Treuschel ..... January, 59
Electrostatic Spray Gun for a Robot's Hand ..... January, 94
Taught To Texture, by Jeffrey Wesson ..... February, 92
Appliances: Opportunities for Finishers, by Kenneth J. McInerney ..... June, 58
Hidden Contaminants, Hidden Costs, by Doug Jaeger ..... August, 85
Using CO_2 To Thin Paint ..... September, 85
So You Want to Paint Plastics?, by Bill Ballway ..... October, 64
Paint Stripping Materials and Equipment ..... December, 78

PAINT PRETREATMENT

Chemical Pretreatments for Organic Coatings, by Benjamin S. Yaffe ..... March, 55
How To Maintain Your Iron Phosphating Bath, by George Gorecki ..... March, 66

PLATING EQUIPMENT, INSTALLATIONS

Solution Heating and Cooling Equipment ..... January, 66
High-Production Random Plating, by Paul G. Humphrey ..... March, 44
Automation for Quality Electrogalvanizing, by Jeanne Dunbar ..... May, 46
New Line Plates Non-Cyanide Cadmium, by Paul G. Humphreys ..... May, 80
Making It Big, by Beverly Graves ..... June, 68
Barrel Plating Equipment ..... November, 88
Innovative Plater, by Richard Ford ..... December, 72

PLATING PROCESSES & TECHNIQUES

Hard Chromium Plating—Part VIII, by Robert K. Guffie ..... January, 74
The Case for In-Tank Filtration, by Gene Horvath ..... February, 98
New in Hard Chromium Plating, by Dr. Allen R. Jones ..... April, 62
Cadillac Gold, by Paul T. Colarusso ..... June, 52
Mechanically Applied Zinc Coatings, by Stephen Davis ..... July, 90
The Case for Trivalent Chromium, by Dr. Donald L. Synder ..... August, 61
Ultrasonics and the Plater, by Elyse Burstein ..... September, 60
Electrodepositing Electroless Nickel, by David J. Sugg ..... September, 66
Nickel Buildup in Plating Baths, by George A. DiBari and Roger A. Covert ..... November, 70

POLISHING

Integrated Mechanical Surface Finishing, by Glen A. Carlson, Jr. ..... October, 47
Surface Preparation of Aluminum, by J.J. Claus ..... December, 59

POLLUTION CONTROL, AIR

Device Controls Hexavalent Chromium Emissions ..... February, 112
Saving Solvent, by John Hoffman ..... November, 101

POLLUTION CONTROL, WATER

Waste Treatment of Chromium, by James W. Tharp ..... March, 78
Etch Regeneration System Pays Off, by David S. Grimm ..... July, 86
Wastewater Treatment for Electroless Nickel Plating,
by Robert S. Capaccio and Robert K. Gingras ..... August, 45
Pollution Control: Making House Calls, by George Mraovich ..... August, 56
Water-Pollution Control Literature ..... August, 88
Evaporator Control for Electrogalvanizing, by Jeffrey Wesson ..... October, 76
Getting a Payback from Waste Treatment—Part I,
by Charles R. Marshall and Tim Daily ..... November, 80
Getting a Payback from Waste Treatment—Part II,
by Tim Daily and Thomas Henley ..... December, 65

POWDER COATING

Appliances: Opportunities for Finishers, by Kenneth J. McInerney ..... June, 58
Pylon Weathers Transition, by Jerry M. Rosenstein ..... July, 52
In-Mold Powder Coating, by Vishu Reddy ..... July, 58
The Future Is Clear, by Champ Bowden ..... July, 64
Focused on Quality, by Christopher Daniels ..... November, 54

QUALITY CONTROL

Measuring Coating Thickness: Which Method?, by Robert W. Christensen ..... May, 53
Coating Test Instruments and SPC, by J.F. Fletcher ..... May, 60
How to Run a Salt-Spray Test, by Ray Singleton ..... May, 68
Nickel Buildup in Plating Baths, by George A. DiBari and Roger A. Covert ..... November, 70

SOLID WASTES

Getting a Payback from Waste Treatment,
by Charles R. Marshall and Tim Daily ..... November, 80

THICKNESS MEASUREMENT

Measuring Coating Thickness: Which Method?, by Robert W. Christensen ..... May, 53
Coating Test Instruments and SPC, by J.F. Fletcher ..... May, 60

VACUUM COATING

TiN Coatings: Who Needs Them?, by Stanley J. Biernat, Jr. ..... April, 52
Light of Opportunity, by Beverly Graves ..... September, 52

WEAR-RESISTANT COATINGS

TiN Coatings: Who Needs Them?, by Stanley J. Biernat, Jr. ..... April, 52
New in Hard Chromium Plating, by Dr. Allen R. Jones ..... April, 72

TYPE A

Ice Storage Chillers
Closed Circuited

34 Completely Packaged models
to select from.
